

PRODUCT GUIDE
HP Smart Tank 7000 series

Full of features. Full of savings.

Simplify printing at home for the whole family.

Full of features. Full of savings.

Simplify at-home printing for the whole family.

This high-capacity ink tank printer makes the experience seamless with simple mobile setup³, **automatic two-sided printing**, **smart-guided buttons**, and Low on Ink and paper sensors*, and keeps your family creating outstanding-quality projects, homework, and more—with fewer interruptions.

Plus, get more value from high-volume ink — **up to three years of Original HP Ink included in the box.**¹

Seamless printing for home productivity

With two-sided printing and the best-in-class HP Smart app.^{3,4}

Fully loaded with savings

Up to three years of Original HP Ink included.¹

Environmentally-conscious printing

With a printer made up of more than 25% recycled plastic.⁵

Cost-conscious parents

Need to create projects that help kids thrive, plus to print and scan for their personal needs.

Professions

Families with children who go to school.

Attitude towards technology

Likely to be an early majority. Looks for solutions that boost efficiency, multitasking, and user-friendly.

Seek sleek design and intuitive experience. Must serve versatile needs at home.

Printing behavior

Print for personal organization, personal development, for keeping children engaged, and to protect against digital loss.

Challenges

- Printing is too expensive
- Need to keep home operating smoothly
- Connectivity issues make it frustrating to use printer

- Cartridge runs out too quickly; shopping for supplies is a hassle
- Frequent supplies replacement
- Environmentally-conscious

Print, scan, and copy activities

- Day-to-day finances e.g., receipts, invoices, etc.
- Official documents e.g., contracts, ID cards, passports, certificates, etc.
- Documents for tax filing
- Administrative forms for kids' school activities
- Children's educational materials e.g., flashcards, worksheets, stories, etc.

Volume

200 – 450 pages per month

- Blue Angel certified
- HP FSC®-certified paper

THANK YOU

Legal disclaimers

1. Based upon 200 pages per month of HP Smart Tank customers' usage. Actual yield varies considerably based on content of printed pages and other factors. Average based on ISO/IEC 24711 or HP testing methodology and continuous printing. Some ink from included bottles is used to start up the printer. For details, see hp.com/go/learnaboutsupplies.
2. Black and composite colour average per bottle (cyan/magenta/yellow) results based on HP methodology and continuous printing of ISO/IEC 24712 test pages. Not based on ISO/IEC 24711 test process. An additional black ink bottle is required to print 8,000 colour test pages. Actual yield varies based on content of printed pages and other factors. Some ink from included bottles is used to start up the printer. For more information about fill and yield, see: hp.com/go/learnaboutsupplies.
3. Requires the HP Smart app download. For details on local printing requirements, see hp.com/go/mobileprinting. Certain features/software are available in English language only and differ between desktop and mobile applications. Subscription may be required; subscription may not be available in all countries. See details at HPSmart.com. Internet access required and must be purchased separately. HP account required for full functionality. List of supported operating systems available in app stores.
4. Compared to OEM printing apps for the majority of top-selling, network-capable inkjet/laser printers and all-in-ones for the home and office, priced ≤450 USD. Market share as reported by IDC Quarterly Hardcopy Peripherals Tracker – Final Historical CYQ4 2020. Claim based on research of printer manufacturer's print apps and Keypoint Intelligence hands-on testing and study commissioned by HP. For details, please see: keypointintelligence.com/HPSmartApp.
5. Made with more than 25% recycled plastic by weight.
6. Wireless operations are compatible with 2.4 GHz and 5.0 GHz operations only. Learn more at hp.com/go/mobileprinting. Wi-Fi® is a registered trademark of Wi-Fi Alliance®. Supports both 5.0 GHz and 2.4 GHz using up to 12 non-overlapping channels vs only 3 non-overlapping channels for 2.4 GHz only. Supports 5.0 GHz band (up to 150 mbps) vs 2.4 GHz band (up to 72.2 mbps). Internet access required and must be purchased separately.
7. HP ink bottles compared to HP ink cartridges. Cost-per-page based on expected black and composite (cyan/magenta/yellow) page yield results based on HP methodology and continuous printing of ISO/IEC 24712 test pages. Not based on ISO/IEC 24711 test process. Actual yield varies based on content of printed pages and other factors. Some ink from included bottles is used to start up the printer. For more information about fill and yield, see hp.com/go/learnaboutsupplies.
8. When used in accordance with setup instructions.
